M. MALLARAJ URS,
1227 *Principal.*

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE, BANGALORE.

To

The Secretaries of all the Co-operative Societies in the State.

Instances have come to the notice of the undersigned that bonus to staff is being voted for periods up to three months' pay sometimes running into few thousands. While adequate encouragement should be given to the wholetime staff working in the institutions by grant of reasonable bonus and other amenities, it should not be at the expense of the share-holders whose interest should always be served first instances are not uncommon where a higher bonus is voted, on some convention or other, when a better dividend on share or grant of rebate to members could have been made.

It may be mentioned that neither the Mysore Co-operative Societies Act nor the Rules thereunder specifically provide for payment of bonus to staff. Neither the bye-laws of the societies are explicit in the matter.

Before considering the grant of bonus to staff, it is desirable that adequate provision is made for bad and doubtful debts, stock depreciation and fluctuations in market prices, declaration of dividend on shares and grant of rebate on sales, etc.

The Secretaries are therefore requested to bring all these factors to the notice of the Board of Managements when they take up the question of appropriation of profits for being placed before the General Body Meeting of their institutions.
